

3G Free-Play Access Request Form

The Poplars 3G Facility is currently available on a Monday and Thursday evening between 4pm and 5pm for residents of Burton Joyce to use the facility on a Free of Charge basis. To enable access to the facility during these times this form should be completed by all players in advance.

In order to ensure that the facility is best and appropriately utilised, a system of access control is in place which is managed via a system of swipe card, key fobs and PIN numbers. Depending upon the frequency of access required, you will be issued with one of these methods of access. A **photograph** may be required depending upon access type granted, so we would ask **that one is supplied when completing this form as a .jpg file.**

Terms and conditions of access to the 3G facility under freeplay are in place. A copy is enclosed with this booking form. By completing this booking form, you are deemed to have agreed unconditionally to these terms and conditions

Proof of residency in the village of Burton Joyce will be required. This would take the form of a formal document such as a drivers licence or a utility bill. **Please supply a scanned copy of such a document with this form.**

No personal data will be shared with any other organisations. For statistical reporting purposes we request gender and age range data.
