PL24/1148 **2024/0777 Lambley Lodge 75 Lambley Lane Burton Joyce** - Construction of a detached dwelling.

Members of the public raised concerns that the revised plans for the dwelling at 75 Lambley Lane would mean it will overlook their property and be more overbearing than the original plans, due to its more elevated position. This is particularly so for their garden which would be completely overlooked. Whilst the reduction in size and scale was appreciated, the new more elevated position was of concern. Objections regarding increased flooding resulting from felled trees and water run-off remained. Frustration noted with lack of liaison from GBC to address concerns.

The Planning Committee reviewed the application and objected on the following grounds:

LPD32 – Amenity - Overbearing and overlooking – considerable loss of privacy for neighbouring properties, particularly with increased elevation of proposed site. Potential impact of noise – request for driveway surfaces running behind bedroom windows to minimise potential noise.

LPD 3&4 – Management of flood risk and surface water – increased surface water runoff compounding flooding already experienced in the area. Request for adequate sustainable drainage to be included in any plans.

Members of the public left at 6:55pm

- PL24/1149** **2024/0794 6 Willow Wong Burton Joyce** - Change of use of dwelling to offices, with demolition of outbuilding and erection of new fencing – No objection to change of use, but request for greater consideration to be given to parking provision for the business on the site.
